

MOTION BY SUPERVISOR DON KNABE

November 23, 2010

On Monday, August 30, 2010, Heather Broadus, 27, was found lying deceased on the sidewalk in front of the residence at 347 E. 56th Street in Long Beach. The victim had been shot in the upper torso and was discovered a short distance away from her hotel room. Detectives conducted an extensive investigation and were unable to identify the person (s) who killed the victim or determine the motive for the senseless killing.

No one has been arrested in this case and investigators believe it would be beneficial to offer a reward in this case which may prompt reluctant witnesses to come forward and provide information to identify the individual(s) responsible for this crime. They can remain anonymous.

I, THEREFORE, MOVE that the Board of Supervisors establish a \$10,000 dollar reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
